PLATEAU NEST BOXES

Encourage coveted songbird species such as wrens, titmouse, bluebirds, and chickadees to flourish on your land with these one-of-a-kind, Texas-made nest boxes that stand above the competition.

Made of cedar and built by Texas-based craftsmen, these nest boxes offer shelter to many songbird species, as well as Wood Ducks, woodpeckers, Purple Martins, owls and other native wildlife species.

Plateau nest boxes can be professionally installed by our expert technicians to ensure they attract the intended species and meet the requirements of properties managed under a wildlife tax valuation.

PROFESSIONAL NEST BOX INSTALLATIONS:

\$15 per nest box*

While on your property, Plateau's expert technicians will capture each nest box location with a GPS waypoint (for future mapping), take photos to document this wildlife activity, and provide a completed field management log sheet that you can use to show County Appraisal Districts in your annual report, or during an unexpected site inspection

PLATEAU NEST BOX CHECKS:

\$125 + \$10 per nest box*

One of our most popular qualified wildlife management activities. A Plateau Wildlife Technician will visit your property to monitor and clean out your nest boxes to ensure they're attracting the target species.

*Does not include mileage

1. Wren: \$26.95
2. Bluebird / Chickadee: \$29.95
3. Titmouse: \$29.95
4. Woodpecker: \$44.95
5. Owl Shack: \$69.95
