PLATEAU PLATFORM WILD BIRD FEEDER

Encourage all types of wild birds including coveted songbirds, doves, turkeys, and others to flourish on your land with a durable and innovative feeder that stands above the competition.

The Plateau Platform Wild Bird Feeder attracts, retains, and improves the bird population on your land with its smart and original design combining high quality with low maintenance.

Plateau's original raised platform system is designed to attract wild birds and deter non-target animals, such as raccoons, squirrels, and feral hogs.
