PLATEAU PROTEIN BLOCK FEEDER

Help increase the quality of deer
on your land by making protein
accessible with Plateau's
maintenance-free Protein Feeder!

The Plateau Protein Block Feeder attracts, retains
and improves the deer population on your land
with its smart and original design combining
high quality with low maintenance.

This durable, all-steel custom-designed
feeder ingeniously elevates protein blocks
above the ground.

\$330* or \$450 installed**

*Plus tax **Plus tax and mileage

FEATURES:

- ◆ Holds up to three protein blocks
- ◆ Paint-grip galvanized metal and a steel design finished in enamel ensures years of durable service
- ◆ Gravity fed block tube with expanded metal base plate allow maintenance free dispensing of protein blocks
- ◆ Elevated design protects protein blocks from the elements, reducing waste due to rain or sleet
