Landowner Submitted Questions

We may not get to everyone's questions right now, but we're going to try!

If Ag can transfer to wildlife management, can wildlife transfer to Ag?

What brand of fire ant treatment do you recommend for landowners to use?

<u>https://fireant.tamu.edu/controlmethods</u> /products/extinguish_plus/

When cleaning nesting boxes should we use any type of disinfectant or apply anything to discourage wasp or other unwanted insects such as mites from moving in?

What if I'm behind on my activities?

My appraisal district asked me for an "Annual Report". What is that and why do I have to do it?

Am I supposed to refile this plan every year!?!

I like surprises, but not when they can cost me my Ag exemption...

Lean on your friends at Plateau.
